Our office in Mt. Pleasant is located on the corner of Mission Street and Preston Street, next to the former Embers Restaurant and across the street from Arby's. It is about 4 blocks from the Central Michigan campus.

You may park behind the building and enter through the back doors. Go down the hallway and turn to your right and take the stairs to the lower level. Please have a seat in the waiting area and your Encompass consultant will be with you at the time of your appointment.
