To locate our Rockford office, turn east onto 11 Mile Rd from Northland Dr (aka East Beltline or Wolverine Blvd). The office is located exactly one half mile from Northland Dr in the Wolverine Education Center – you will pass the Bishop Hills Senior Community Center. Our office is located in a large gray farmhouse with a large gray barn in the back. It sits just to the west of Wolverine World Wide Headquarters. If you pass the WWW headquarters with the flags, you have gone too far.

The office shares a parking lot with the Wolverine Wellness Center, which used to be the Wolverine Credit Union. Please park in this shared lot and go to the rear of the farmhouse. There is a set of cement stairs; please go up the stairs and through the door, which opens right into our office.
